ENERGY**

## INTERACTIVE DIGITAL SHOWCASE: BUILDING BLOCKS OF A CONNECTED PLANT SPONSORSHIP

Built by the industry, for the industry, this interactive control room and digital experience will provide an opportunity to learn first-hand about technology solutions focused on equipment reliability, predictive maintenance, and training. Participate in this interactive, experiential digital showcase of all the latest elements and technology of a connected power plant. The Interactive Digital Showcase will be open for the duration of the exhibition and available for all attendees to explore.

BLOCK 1	BLOCK 2	BLOCK 3	BLOCK 4	BLOCK 5	BLOCK 6
Augmented / Virtual Reality	Condition Based Maintenance	Operations Block (Operator Effectiveness)	Plant Data Historian/ Control System Historian	Demand/Dispatch – Remote Operations Center	Optimization/ Analytics

### CASE STUDY – EACH BLOCK COMES WITH A CASE STUDY SPEAKING SLOT TO BE HELD IN THE INTERACTIVE DIGITAL SHOWCASE THEATER.

**Limited Block availability!** Sponsor can pick up to two blocks, and will be assigned on a first come, first served basis. Contact your sales representative to secure your block preference early.

#### Sponsor Benefits:

- A short summary (provided by the sponsor) will be used for marketing purposes to promote sponsor's building block space. The short summary can include bullet points and any additional company/product information to let attendees know what they will learn at the event.
- A video or PowerPoint slides (provided by the sponsor) that describes or explains your building block and how it connects with the interactive digital plant will be featured during the event. The Video and/or PowerPoint slides will run constantly at the event in the Interactive Showcase Theater.
- 15-minute presentation during the assigned time in the Interactive Showcase Theater. The presentation should describe or explain your building block and how it connects with the interactive digital plant will be featured during the event.
- Additional booth pass for someone to help answer questions about the building block space at sponsor's booth.

**PRICE: \$5,000**
